

ANNOUNCEMENT

The Kwame Nkrumah University of Science and Technology has reviewed its Admission Entry Requirements for the 2017/2018 Academic Year as follows:

A. STEM

Female applicants into Science; Technology; Engineering and Mathematics (STEM) programmes of study shall gain one aggregate point advantage over male applicants. This is to facilitate and encourage Female students into these programmes of study.

B. CONSIDERATION OF SOCIAL STUDIES COURSE FOR ADMISSION

All applicants into the University must have a minimum credit passes in English, Mathematics and Science. However for Art; Humanities; Social Sciences and Business Programmes, a better grade in **SOCIAL STUDIES** shall be used in place of the **Integrated Science** provided applicant has a minimum of C6 in Integrated Science.

C. KNUST is giving all applicants the opportunity to do the following on their application online:

1. Check for the correctness of the following
 - a. index number
 - b. Years of Examination(s)
 - c. Type of Examination (SSSCE or WASSCE)
 - d. Sitting (May/June or Nov/Dec)

2. The name on the application **SHOULD BE EXACTLY** the same as appears on the **RESULT SLIP**. No variation in Names will be accepted.

3. You **MAY** make changes to programme selected

NOTE: Deadline for the corrections: **7TH AUGUST, 2017**
