

### CV - EBENEZER OWUSU-ADDO, Ph.D.

1. Contact Details	Dr. Ebenezer Owusu-Addo; <b>Senior Research Fellow/Senior Lecturer</b> <b>Address:</b> Bureau of Integrated Rural Development, Kwame Nkrumah University of Science & Technology, Kumasi, Ghana. Email: <a href="mailto:cowusu-addo.canr@knust.edu.gh">cowusu-addo.canr@knust.edu.gh</a> ; <a href="mailto:cowusuaddo@yahoo.co.uk">cowusuaddo@yahoo.co.uk</a> <a href="tel:+233501349036">Tel : +233501349036</a>
2. Profession	Development/Health Planner & Evaluation Specialist
3. Key Qualifications	<p>Ebenezer Owusu-Addo is a Development/Health Planner and Evaluation Specialist currently employed as Senior Research Fellow at the Bureau of Integrated Rural Development, Kwame Nkrumah University of Science and Technology (KNUST), Kumasi, Ghana. Ebenezer holds a PhD in Public Health (Programme Evaluation) from Monash University, Australia, MSc in Public Health-Health Promotion from Leeds Beckett University, UK, Graduate Certificate of Agricultural Health and Medicine from Deakin University, Australia, and BSc. (Hons) in Development Planning from KNUST, Kumasi, Ghana. Ebenezer has 18 years' work experience in international development. He is an international development consultant with overseas experience consulting and leading monitoring, evaluation and learning (MEL) activities – strategic planning, performance management, baseline surveys, midterm evaluation, final performance evaluation and impact evaluations. Ebenezer is currently a Trainer for the USAID West Africa Mission's MEL Training Program. In terms of research leadership, Ebenezer is a member of the United Nation's Children Fund (UNICEF) Research and Technical Working Group on Cash Transfer Programmes and Social Protection in Ghana. Ebenezer is an Editorial Board Member of the International Journal of Health Promotion and Education. He continues to serve as a peer reviewer for 38 reputable international journals.</p> <p>Ebenezer is an Alumnus of the Australian Government Research Training Programme, tenable at Monash University, Australia, and the Commonwealth Scholarship Commission, tenable at Leeds Beckett University, Leeds, United Kingdom. Ebenezer has considerable experience in the development and health sectors, with emphasis on work carried out in the area of policy development, socio-economic baseline studies, development of MEL plans and impact evaluations. This experience has seen him consulting for the International Fund for Agricultural Development (IFAD), USAID, DFID, UNICEF, the World Bank, European Union, Plan Ghana, Newmont Ghana Gold Limited, Guinness Ghana Breweries PLC. and Government of Ghana sector ministries, departments and agencies.</p>
