

CURRICULUM VITAE – PROFESSOR ANTHONY KWAKU EDUSEI

PERSONAL PARTICULARS:

NAME: Professor Anthony Kwaku Edusei

ADDRESS: Department of Health Promotion, Education and Disability, School of Public Health, KNUST, Kumasi, Ghana

E-MAIL: eduseiak@gmail.com; akedusei.chs@knust.edu.gh

TELEPHONE: +233 244709687

MARITAL STATUS: Married with 3 children

POSITION: PROFESSOR IN HEALTH PROMOTION AND DISABILITY – 1ST
AUGUST 2020 TO PRESENT

1. EDUCATIONAL BACKGROUND

1 a. *ACADEMIC DEGREES AND QUALIFICATIONS:*

- (i). MPH, University of Liverpool, UK 2013
- (ii). Ph D. Nutrition, Legon 2002.
- (iii) M Sc. Applied Human Nutrition, Nairobi 1994.
- (iv) B Sc. (Hons.) Biochemistry (Second Class Upper), Kumasi 1989

2. a UNIVERSITY TEACHING AND RESEARCH EXPERIENCE WITH DATES

I have almost 26 years of experience as a Lecturer and examiner in Human Ecology, Biostatistics, Nutrition and Health Education and Promotion. I have been actively involved in Disability Research and academic programme since 2008.

2b. SUPERVISION OF STUDENTS' PROJECT/THESIS/RESEARCH

i. Supervision of Undergraduate Project/ Thesis/ Research:

Extensive work is done in this area with a yearly average of 18 students in the MBChB group.

ii. Supervision of Postgraduate Project/Thesis/ Research:

Extensive work is done in this area with a yearly average of 8 students in all the six postgraduate programmes in the School of Public Health; MSc/MPH/MPHIL in Health Services Planning and Management, Population and Reproductive Health, Health Education and Promotion, Disability Rehabilitation and Development, Health Systems Research and Management, Occupational Health and Environmental Safety. I also supervise one PhD candidate each year, since 2010.

2c. OTHER PROFESSIONALLY RELATED EXPERIENCE

- i. Part-time Lecturer, Department of Community Nutrition, University for Development Studies, from 1997 to 2005
- ii. Co-ordinator of Proficiency Certificate Course in Health Education at the Department of Community Health from 1995 to 2003, and Co-ordinator of five other short courses in the department from 2003 to present.
- iii. Country (Ghana) Co-ordinator for Food Science and Nutrition Network for Africa (FOSNNA) with headquarters in Addis Ababa, Ethiopia, from 2004 to present.
- iv. Internal Examiner for Postgraduate research theses in the Department of Community Health, School of Medical Sciences, KNUST;
- v. Project Manager of the SMS/NPT Disability Project with sponsorship from NU FFIC (Netherlands Organization for International cooperation in Higher Education) from January 2008 – June 2012
- vi. I have offered lectures and supervised students in the MPH Nutrition and Dietetics Programme in the Department of Biochemistry and Food Technology at KNUST since the 2012/2013 academic year.
- vii. I offered lectures in Research Methods in the Department of Optometry in the College of Science at KNUST, since 2006.

AWARDS/GRANTS AND FELLOWSHIPS

- i. Swiss Development Co-operation Award for Masters in Applied Human Nutrition in University of Nairobi, Kenya from 1991 -1993
- ii. Bill and Melinda Gates Institutes of Population and Reproductive Health award as a Visiting Scholar from March 2005 - May 2005 to The Johns Hopkins School of Public Health, Baltimore, USA.
- iii. NUFFIC Fellowship for MPH by Distance at the University of Liverpool, UK from 2009 to 2012.
- iv. Commonwealth Professional Fellowship awarded by the British Council from 16th February to 31st March, 2013 in Roehampton University, London in: ‘Communication for Public Healthcare Delivery’.
- v. I managed a 1,964,000 Euros fund granted to Kwame Nkrumah University of Science and Technology by NUFFIC (Netherlands Organization for International Co-operation in Higher Education) for the establishment of the Centre for Disability and Rehabilitation Studies from 2008 – 2012
- vi. NESTLÉ PROJECT: In collaboration with my colleagues in the Department of Biochemistry and Biotechnology, we won a research grant of **USD 73,840** from the NESTLÉ FOUNDATION, out of which we have funded three (3) MPhil Students, and one PhD student. Document attached

3.0 CONFERENCES/WORKSHOPS AND TRAINING PARTICIPATION

1. African Nutrition Epidemiology Conference (ANEC), University of Ghana, 15th – 18th August, 2006
2. 3rd African Nutritional Epidemiology Conference: Held in Cairo-Egypt from October 13 – 16, 2008. Presented two papers
3. Health Research Ethics for Researchers in SMS and KATH, May 27, 2009, at Feyiase, Ashanti, Ghana.

4. Adolescent Reproductive Health and Development Workshop, organized by The University of Ghana School of Public Health and The Bill and Melinda Gates Institute for Population and Reproductive Health from February 4 – 8, 2007 at Akosombo, Ghana.
5. Maize for better Nutrition: CSIR (Crops Research Institute) and Harvest Plus Seminar from July 7 – 11, 2008
6. Strategic Leadership and Management course for the enhancement of Education of Health professionals, held from September 1-5 2008, and January 5 – 16 2009, at Eusbett Hotel, Sunyani, Ghana.
7. Curriculum Development Workshop for the Capacity Building in Disability Prevention and Response, sponsored by NUFFIC (Netherlands Organization for International Co-operation in Higher Education), from January 29 – February 5 2009
8. Training and coaching in Disability and Rehabilitation Research, held at the Centre for Disability and Rehabilitation Studies (CEDRES), KNUST, Kumasi, from 3rd – 5th November, 2011
9. Leadership and advocacy training for Disabled People’s Organizations in Ghana, held at the Centre for Disability and Rehabilitation Studies (CEDRES), KNUST, Kumasi, from 7th to 9th November, 2011
10. Leadership and Capacity Building training, held at the Centre for Disability and Rehabilitation Studies (CEDRES), KNUST, Kumasi, from 5th to 16th December, 2011
11. Workshop on Postgraduate Supervision, held at Noda Hotel, Kumasi, Ghana, from 7th – 9th February, 2012.
12. St. Mary’s Centre; 11th Annual Conference “Sexual Violence in the context of domestic abuse”, Manchester Town Hall, Manchester, U.K., from February 28 - March 1st, 2013
13. Public Health 2013: Achieving Positive Health outcomes, Brewery conference Centre, London, March 13th 2013
14. The World in Denial: Global Mental Health Matters. March 26 – 27, 2013. Royal Society of Medicine, 1 Wimpole Street, London.
15. Communication for Effective Public Health, a six-week programme with sponsorship from the Commonwealth Professional Fellowship Scheme, at University of Roehampton, London, from February 16th to March 31st 2013.
16. 4th AfriNEAD Symposium from 3rd to 5th November, at Sun ‘n’ Sand Holiday Resort, Mangochi, Malawi
17. 6th Africa Nutritional Epidemiology Conference: Held in Ghana Institute of Management and Public Administration (GIMPA) Accra, Ghana from 21 -25 July 2014

18. 3rd AfriNEAD Symposium: Held at Victoria Falls: from 28th – 30th November, 2011.
19. 4th AfriNEAD Symposium: Held at Sun ‘n’ Sand Holiday Resort, from 3rd to 5th November, 2014 at Mangochi, Malawi –Two papers were read.
20. 5th AfriNEAD and 7th College of Health Sciences Scientific Conference: Held at KNUST, Kumasi, from 7th to 9th August, 2017 – Two papers were presented orally.
21. Short Course on ‘**Managing and Researching Health Care Systems**’, held at the Technical University of Berlin, Germany, from 20th November to 1st December, 2017
22. Short Course on ‘Health Technology Assessment’, held at the Technical University of Berlin, Germany, from 28th May to 1st June, 2018
23. Ghana Health Policy Dialogue, held at Kwame Nkrumah University of Science and Technology, Kumasi, Ghana, from 5th – 6th October, 2017 under the theme; ‘Ghana’s Direction towards a Sustainable Health System.
24. Ghana Health Policy Dialogue, held at AH Hotel in Accra, Ghana, from 5th – 7th September, 2018, under the theme; ‘Balancing Needs, Quality and Financial Sustainability in Health Care in Ghana’.
25. International Conference on Health Technology Assessment (HTA) in Cologne, Germany, from 15th – 19th June, 2019. Theme; HTA Beyond 2020: Ready for the New Decade?
26. Ghana Health Policy Dialogue, held at Aqua Safari, Ada, from 26th – 29th August, 2019 under the theme: Redefining Primary Health Care for Universal Health Coverage.
