

# VINCENT GROSS HOPE

Apiadu-Kokoben, AE-0898-6582, Kumasi - +233 55 359 6728

Hope1cent@gmail.com

I am an ambitious and results-driven individual committed to achieving excellence in all tasks I undertake. Skilled in identifying problems, devising effective solutions, and implementing them efficiently, I thrive under all conditions while maintaining high-quality work standards. My strong interpersonal skills enable me to build and sustain positive working relationships at all levels, fostering collaboration and teamwork.

## EXPERIENCE

**NOV 2021 – RECENT**

**MEDIA AND EVENTS, UNIVERSITY RELATIONS OFFICE, KNUST**

A photographer, Graphic and motion designer at the University Relations Office KNUST. I'm part of the media team responsible for flyer designs, Co-managing LED advertisement on campus and Event coverage in the University.

**SEP 2021 – NOV 2021**

**MULTIMEDIA TECHNICIAN, PREMPEH II LIBRARY**

Voluntary services at Prempeh II Library KNUST. I was part of the multimedia sector team responsible for shooting video documentaries and creating motion graphics for Library and other related library activities.

**JAN 2021 – SEP 2021**

**GRADUATE ASSISTANT, DEPARTMENT OF COMMUNICATION DESIGN, KNUST**

As a graduate student at Kwame Nkrumah University of Science and Technology, Department of communication design, I assisted in the teaching of Digital video production and animation. I also helped the multimedia team of Tek Tv, a studio under the department in shooting video documentaries for university activities and assisted in student studio sessions.

**2019 – 2020**

**TEACHING ASSISTANT, DEPARTMENT OF COMMUNICATION DESIGN, KNUST**

As a national service person at Kwame Nkrumah University of Science and Technology, Department of communication design, I assisted in the teaching of Digital video production and 3D animation.

**2018 – 2019**

**BROADCAST DESIGNER, CAFDIL TV**

An intern at CAFDIL TV, Cape Coast. I was part of the team shooting and editing videos and also creating motion graphics and Web content for the television station.

**2014 – 2016**

**COMPUTER REPAIR TECHNICIAN, RICHMAN COMPUTERS**

I had three years of working experience as an apprentice in computer repairing at RICHMAN COMPUTERS in Cape Coast. I got the opportunity to learn basic desktop and Laptop repairing and also windows installation.

**2016 – 2017**

**TEACHING ASSISTANT, GHANA NATIONAL COLLEGE**

I had three months of working experience as a student teacher at GHANA NATIONAL COLLEGE, Cape Coast. I got the opportunity to teach some of the course under Visual Art (General Knowledge in Arts, Ceramics, Graphic Design)

**2015 – 2016**

**GRAPHIC DESIGNER, EGYA PA VENTURES**

I had three months of working experience as an intern at EGYA PA VENTURES in Cape Coast. I got the opportunity to learn how to use scanners, printers and design software (photoshop/illustrator/InDesign).
